

West Coast District Health Board
Te Poari Hauora a Rohe o Tai Poutini

Functions of the WCDHB Advisory Committees

Community and Public Health Advisory Committee

The role of this Committee is to give the Board advice on:

- The needs and any factors the Committee believes may adversely affect the health status of the resident WCDHB population; and
- Priorities for use of the health funding provided.

The aim of this Committee:

- To provide advice that will ensure that the following maximise the overall health gain for the population of the West Coast:
- All service interventions the WCDHB has provided or funded or could provide or fund for that population.
- All policies the WCDHB has adopted or could adopt for the population of the West Coast.

Disability Support Service Advisory Committee

The role of this Committee is to:

- Provide the West Coast District Health Board with advice on the disability support needs of the resident WCDHB population and;
- Priorities for use of the disability support funding provided.
- To set priorities for the use of health funding provided.

The aim of the Disability Support Service Advisory Committee's advice is:

- To ensure that the following promote the inclusion and participation in society, and maximise the independence, of the people with disabilities within the WCDHB's resident population:
- The kinds of disability support services the WCDHB has provided or funded or could provide or fund for those people.
- All policies the WCDHB has adopted or could adopt for the population for those people.

Hospital Advisory Committee

The functions of this Hospital Advisory Committee is to:

- Monitor the financial and operational performance of the hospitals (and related services) of the DHB;

The advice of this Committee:

- Must be consistent with the New Zealand Health Strategy.
