Maternal Care & unborn wellbeing

Health & community support for pregnant women & their families

Our Purpose
- Sharing responsibility for protecting children
- To support and strengthen families to stay together
- To ensure the safety of the unborn baby
- A smooth transition for women through Maternity Services
- Early identification with a preventative focus

What do we do?
We aim to provide a wrap-around, holistic service to support mothers in preparation for parenting. This may begin with a Multidisciplinary team (MDT) meeting which involves specialists from a range of different health & community groups. We work together to help a mother-to-be get the resources to safely look after her newborn baby—in one place. We create a plan to assist them in getting what they need.
