# MINUTES OF THE TATAU POUNAMU MANAWHENUA ADVISORY MEETING

## MINUTES OF THE TATAU POUNAMU MANAWHENUA ADVISORY MEETING

**Corporate Office Boardroom, Friday 8 February 2019  
10.00 – 12.30pm**

### **PRESENT:**

Anne Ginty, Mawhera Community Representative  
Chris Auchinvole, WCDHB Board Representative  
Francois Tumahai, Te Rūnanga O Ngāti Waewae  
Maree Mahuika, Forsyth, Te Rununga O Makaawhio Representative  
Ned Tauwhare, Te Rūnanga O Ngāti Waewae

### **APOLOGIES:**

Susan Wallace, Te Rununga o Makaawhio - Chair

### **IN ATTENDANCE:**

Gary Coghlan, General Manager Maori Health  
Kylie Parkin, Programme Manager, Maori Health  
Philip Wheble, General Manager West Coast District Health Board  
Tohi Tohiariki – Operations Manager, Salvation Army  
Tony Foster – Team Leader, Salvation Army  
Karin Le Breton, Co-ordinator/Case Worker, Salvation Army

### **DIALLED IN:**

Melissa MacFarlane, WCDHB Planning & Funding  
Jenni Stephenson, WCDHB Planning & Funding

### **MINUTE TAKER:**

Megan Tahapeehi

### ***Karakia/Welcome***

Gary Coghlan

### **AGENDA/APOLOGIES**

#### **1. DISCLOSURES OF INTEREST**

Updates or amendments to be provided to Megan in writing please for update as appropriate.

#### **2. MINUTES OF LAST MEETING**

#### **3. CARRIED FORWARD/ACTION ITEMS**

##### *Annual Planning/Equity Actions*

The Maori Health team are working on extracting the data specific to Maori. A member of Tatau Pounamu requested a further conversation around Maori Health equity within the Annual Plan. Kylie Parkin agreed to make contact outside of the meeting to discuss these further.

#### Kawatiri (Buller) Tatau Pounamu Representation

There have been two people put forward for consideration onto Tatau Pounamu as the Kawatiri representatives to replace the recent resignation of Gina-Lee Duncan. These applicants will be contacted and the formal process of review of their application and appointment will follow.

It was agreed that Tatau Pounamu will have better planning to ensure they have the opportunity to be involved in the process and response pathway.

**ACTION: Updated CV and Applications will be provided at the next Tatau Pounamu meeting for consideration and confirmation of successful appointment. (Megan)**

#### **4. DISCUSSION ITEMS/PRESENTATIONS**

##### Grey/Westland Update – Phillip Wheble (10.00 – 10.25am)

- Discussion around the Rural Generalist Workforce and this is being lead by Dr Brendon Marshall. Indications for WCDHB are it is proving to be making some very positive impacts within our services.
- WCDHB deals with variance compared to larger hospitals on volume. Having the appropriate workforce to deal with variance is what is most important. Rural Training is something that the WCDHB sees as very important to aligning the workforce appropriately.

##### Salvation Army – Introductions (10.30 – 11.00am)

Tohi Tohiariki Operations Manager, Tony Foster Team Leader and Karin Le Breton, Co-ordinator/Case Worker from the Salvation Army came and introduced themselves to Tatau Pounamu.

The Salvation Army are providing an Addiction Services Programme to the West Coast “The Bridge”. They are pleased to have this opportunity to work closely alongside and with, the West Coast DHB and other West Coast providers of Mental Health and Alcohol and Other Drug services to meet the needs of the West Coast Community and to align their services with goals of the West Coast Health Alliance.

They are proposing a range of community based AOD assessment and intervention solutions for the West Coast that emphasise support from brief education through to more intensive levels of care with extensive opportunity for ongoing support that links strongly into local community resources. Proposed group and 1:1 services are based on evidence-based structured interventions.

Members of Tatau Pounamu were happy for the Salvation Army to come along every quarter to our hui to provide updates of the work that is happening within the Te Tai o Poutini.

Tohi Tohiariki requested for Tatau Pounamu input around a name for the service. Gary Coghlan advised that input around the Treaty of Waitangi, Tikanga Best Practice and Takarangi Cultural Competencies were areas where the Maori Health department could provide assistance.

##### 2019/20 Annual Planning Update

The report that was tabled for Tatau Pounamu is provided by the Ministry of Health. The main area of interest in this document is the action tables from page 9-25, where the coming years commitments are highlighted. These actions come from the work stream and system level plans.

It was agreed that the time to review this document was not enough time and the follow steps would be provided by Kylie Parkin, Portfolio Manager before the next meeting:

1. Highlight the equity actions relevant to Maori
2. Send these out as separated actions within the next 2 weeks (Kylie)

<b>Report Status – For:</b>	<b>Decision</b> <input type="checkbox"/>	<b>Noting</b> <input checked="" type="checkbox"/>	<b>Information</b> <input type="checkbox"/>
-----------------------------	--	---	---

## 1. ORIGIN OF THE REPORT

This report is provided to Tatau Pounamu Manawhenua Advisory Group as a regular update

## 2. RECOMMENDATION

That the Tatau Pounamu Manawhenua Advisory Group notes this report;

### Maori Equity

The West Coast Māori health team continues to work closely with the Planning and Funding teams who work across Canterbury and the West Coast. The emphasis is on data-driven service development for Māori and consistent attention to the issue of Māori equity when contracts are considered.

### Maori Workforce Development

In the past year there has been previously reported a considerable amount of work regarding Maori and Pacific workforce development within both DHB. Progress has been slow however with the recruitment of someone to the role of Project Specialist, Diversity, and Inclusion and Belonging within People and Capability to drive improvement in several areas including workforce equity, we are starting to see real progress. A governance group is proposed to oversee Pacific and Maori workforce planning with representation across allied, medicine, nursing, Pacific and Maori. In addition interviews are about to be held for a position in people and capability with responsibility to drive strategies that advance Maori Pacific workforce development.

### Maori Provider Development Scheme

Poutini Waiora and Hauora Maori, WCDHB have been working on a proposal to the MPDS fund to further explore the opportunity for Nurse/GP led clinics to be held out of and in partnership with the Maori Health Provider, Poutini Waiora. The potential to be explored will include partnering with the WCDHB to identify a model where Maori can attend GP and Nurse led clinics in a setting that can easily and effectively work within a whanau ora Kaupapa and can easily be transferred to rural areas. The proposal is to engage a contractor to undertake the feasibility and scoping work. The potential for a partnership with the University of Otago will also be explored to see if there are any opportunities for collaboration with the Dunedin School for Medicine – Kōhatu, Centre for Hauora Maori. The proposal was accepted with enthusiasm by the Development Manager, Maori Programme Improvement within the Ministry of Health.

# 2. KEY HIGHLIGHTS

Kia Ora Hauora Te Waipounamu presented at the following events and organisations during this reporting period January 1 – March 31, 2019

## KEY ACTIVITIES THIS QUARTER:

- KOH Hauora Māori Scholarship work shops
- ARA Presentation
- NMDHB Kaimahi Presentation
- Kanohi ki te Kanohi
- Maori Midwifery distance learners Orientation week.
- St John planning hui
- University of Otago physiotherapy MOTUS Scholarship 2019
- Te Mataini Student profile

# 3. OVERVIEW OF KEY HIGHLIGHTS

## A. WORKSTREAM ONE - PROMOTE HEALTH CAREERS

### ST JOHN PLANNING HUI

- Meeting held with Michelle Brett - Right Care Advisor Hauora Māori for St John. KOH TW have established a close working relationship with Michelle who is also the South Island Youth Clinical Liaison Peer Support Officer at St John, a Diversity & Inclusion Council Member and holds the Māori, Pasifika & Ethnic minorities portfolio. Michelle's position within St John has synergies with our KOH kaupapa and it's through this relationship we have obtained the support of St John for our annual work placement programme which is currently offered in Christchurch, Greymouth and Nelson.

This meeting provided the opportunity to plan for 2019 and consider how KoH and St John can continue to work collaboratively to support our Rangatahi and engage with Rangatahi to increase the number of Maori working for St John. Outcomes from meeting were:

1. St John will again support three of the Work Placement programmes to be held in 2019
2. Two exposure days to be held in Nelson and Greymouth (new initiative).
3. Support rangatahi to engage with St John youth programme

### TE MATATINI STUDENT PROFILE

- As a part of the Te Matatini National Kapa Haka Festival build up KOH TW promoted and celebrated the many KOH registered kaihaka who stood at this years festival, in total 16 performed. Individual shout outs were made across social media to all kaihaka as well as a koha of KOH merchandise to each kaihaka who presented at the KOH stall at Te Matatini. A promotional video was also made featuring one of our Te Waipounamu KOH champions, Gaius Reweti who has been registered with KOH TW since 2012 and has participated in many events that we have run. Gaius has studied at Ara and University of Canterbury and is now employed by the Canterbury District Health Board as a Pūkenga Atawhai at Te Korowai Atawhai - Maori Mental Health Services. Gaius performed with Ngā Manu a Tāne one of three roopu from Ōtautahi.

Promotional see link below <https://vimeo.com/317366038/7a159c606b>

## B. WORKSTREAM TWO – SUPPORT SCIENCE ACHIEVEMENT

- Nothing to report.

## C. WORKSTREAM THREE - SUPPORT TERTIARY SUCCESS

### HAUORA MĀORI SCHOLARSHIP WORKSHOPS

- During this reporting period, KOH Te Waipounamu hit the road to present the MoH HMS for 2019. This year in addition to our normal presentations we added 6 x one on one sessions with students to accommodate busy study schedules and ensure as many received the information as possible. Two of these also were via Skype. We presented to the following tertiary providers.
  - » ARA Institute of Canterbury x 4 workshops: 46 students attended
  - » NMIT Institute of Nelson x 2 workshops: 19 students attended
  - » University of Otago x 7: 112 students attended
  - » Otago Polytechnic x 2: 26 Students attend
- In total 203 students attended the MoH Hauora Maori scholarships presentations for 2019

### ARA INSTITUTE OF CANTERBURY WHĀNAU HUI

- At the beginning of each year Ara Institute starts the year with a whanau hui, whereby all new whanau are invited to discuss opportunities that can help support their whanau members their studies. KOH Te Waipounamu supported this kaupapa and was invited to speak at the hui. KOH TW used the opportunity to speak about how we can best support the students and whanau that are attending Ara, what the opportunities are within the health sector and an over view of the KOH programme. It was great to engage with all new students, whanau and teaching staff. 45 new whanau were in attendance

### UNIVERSITY OF OTAGO PHYSIOTHERAPY MOTUS SCHOLARSHIP 2019

- During this reporting time KOH TW promoted and ran a workshop on the MTOUS Physiotherapy Scholarship which is only offered to 2nd year and above physiotherapy students attending University of Otago. Grant Chittock Managing Director of MOTUS is very keen to offer employment to our students and each year KOH TW work closely with Grant to promote and consider applications for this scholarship. Applications open 27 February and close 29 March 2019.

## KANOHI KI TE KANOHI

Joanne Bradley (1st year student at NMIT studying Paetahi Tum Korero Bachelor of Counselling) and Matthew Sollis (5th year medical student working at NMDHB KOH champion since 2012).

- When we are out on the road presenting we take the opportunity to follow up with students and the work force within the rohe. Whilst in Nelson I caught up with a number of our students some of which are working in the region and others that have moved there to study at NMIT. It is always nice to reconnect with students and to support them within the work force and tertiary sector.
- Over this reporting time we have meet and supported a number of students, some are studying and living away from home some that just need a friendly face and to able to talk openly about the struggles of study, tertiary education and employment .

## MAORI MIDWIFERY DISTANCE LEARNERS ORIENTATION WEEK

- Twice a year the 1st year Maori Otago Polytechnic midwifery distance learners gather together at Otago Polytechnic. This year KOH TW was invited to present to this roopu of students . As the students are only together twice a year our presentation covered a range of topics including; Scholarships (in-depth look at the KOH scholarship website), study pathways, job opportunities, and support services. We held two sessions with a total of 16 students attending.

***“I just wanted to personally thank you for your time on Monday night. It was awesome to learn about all the support that is out there for wahine. I found the session very helpful and now have confidence in applying for scholarships. THANK YOU for making the special trip down to see our wonderful first year midwifery learners! “***

*Julie Robb-O'Connell Otago Polytechnic Whanganui regional support. Twi*

## D. WORKSTREAM FOUR – TRANSITION TO WORK

- Nothing to report.

## E. WORKSTREAM FIVE – DELIVER RESULTS

### KIA ORA HAUORA OPERATIONS HUI

- F2F: January Ops hui was held at the CDHB with both Karen Koopu of the MoH and the Hector Matthews Executive Director Maori and Pacific Health for Canterbury DHB in attendance.
- Teleconference: Zoom meeting held in February
- F2F: March hui held over until the 5 April due to travel time table of all regional coordinators. Update in 1 April – 30 July reporting period.

### PUAWAI HAUORA HUI – NMDHB MĀORI STAFF

- KOH Te Waipounamu were invited to present the KOH programme to the kaimahi staff within the NMDHB. As we work closely with NMDHB this was a great opportunity to strengthen our working relationship as well as have a discussion around Māori Health workforce planning.

# 4. SUMMARY OF ACTIVITIES

# 6. PROGRAMME REGISTRATION AND DATA

Te Waipounamu RCC Progress local KOH Targets Quarter 3 (Jan-Mar 2019)

#	NATIONAL TARGET	QUARTER 1 RESULT	QUARTER 2 RESULT	QUARTER 3 RESULT	QUARTER 4 TARGET	ANNUAL TARGET	RESULT
1	New Māori on health study pathway	52	31	112	40	120	
2	Recruit & support into tertiary	55	0	41	10	40	
3	Support transition to employment	0	28	5	10	40	

As at **Quarter 3** there are currently 3,105 Māori registered on the programme. Of that 706 are Te Waipounamu registered which comprises of 22.74% of programme total.

Demographics of registered users for **Te Waipounamu** are

- 692 (97.9%) Māori, 15 (2.1%) Pakeha + Other
- 549 (77.6%) female and 158 (22.4%) male
- The spread of **Māori registered per DHB region** within the programme is shown in the table below, as per Region & DHB.

DHB	TOTAL AS OF MARCH 2019	% AS OF MARCH 2019
South Canterbury District Health Board	15	2.12%
West Coast District Health Board	24	3.39%
Nelson Marlborough District Health Board	92	13.03%
Canterbury District Health Board	212	30.02%
Southern District Health Board	364	51.55%
TOTAL	706	100%

- The spread of **Māori secondary school students registered** within the programme is shown in the table below, as per the Northern region & education year.

YEAR 9	YEAR 10	YEAR 11	YEAR 12	YEAR 13	TOTAL
0	3	14	23	60	100

- The spread of **Māori tertiary students registered** within the programme is shown in the table below, as per Education Level.

FIRST YEAR	SECOND YEAR	THIRD YEAR	FOURTH YEAR	FIFTH YEAR	SIXTH YEAR	POST GRAD	FINAL YEAR	TOTAL
71	86	58	41	23	4	22	83	388

There are currently 53 students sitting as TBC 2019. These students are mostly transition students between high school and tertiary. We are awaiting confirmation from these students as to whether they have gone into study or taken a gap year.

Supporting Māori into Health

# West Coast DHB Māori Health Action Dashboard Report

May 2019

## Tamariki Health and Wellbeing

# Kia whakakotahi te hoe o te waka WE PADDLE OUR WAKA AS ONE

The difference between Māori and non Māori is less than 5% or the target is met  
The difference between Māori and non Māori is between 5% and 10%  
The difference between Māori and non Māori is greater than 10%

## Adult Health and Wellbeing

## Enablers to support Improved Health and Wellbeing

Indicator Full Name	Data Source	Notes
Infants are exclusively or fully breastfed at discharge from LMC	National Maternity Collection (MAT)	Data may be incomplete, excluding data where records have no status
Infants are exclusively or fully breastfed at three months	Well Child Tamariki Ora (WCTO) National Dataset	
Percentage of children caries-free for 5 years	DHB Community Oral Health Services	Results are provided annually in line with the school year. The next release is expected in March 2020
Percentage of Infants fully vaccinated at eight months	National Immunisation Register	
Children aged 0-4 years are enrolled with the Community Oral Health Service	Canterbury DHB Community Oral Health Service database "Titanium"	Results are provided annually in line with the school year. The next release is expected in March 2020
ASH rates per 100,000 Children 0-4 years old	National Minimum Dataset (NMDS)	Due to changes made to 0-4 ASH data with each release, direct comparisons are not possible each quarter. Instead the data shown is the latest available with 5 years of backdated data provided for trend analysis.
B4SCs are started before children are 4½ years	B4 School Check	
Percentage of Women Smokefree at two weeks postnatal	National Maternity Collection (MAT)	This data source has now changed. This measure was using the Well Child reports as its data source, for consistency and continuity of reporting we now use the National Maternity Clinical Indicators report which reports by calendar year.
Population under Mental Health Act: section 29 Community Treatment Orders, rate per 100 000 population	Project for the Integration of Mental Health Data (PRIMHD)	Data is provided 3 months in arrears for each reporting quarter
Women aged 25-69, who have had a cervical smear once in the last three years	National Screening Unit	
Women aged 50-69, who have had a breast screen once in the last two years	National Screening Unit	
ASH rates per 100,000 Children 45-64 years old	National Minimum Dataset (NMDS)	
Percentage of population (65+years) who have had a seasonal influenza vaccination	National Immunisation Register	This measure has changed from using PHO enrolled population data to census population data. Reporting periods have changed from 12 monthly Jan - Dec to 6 monthly Mar - Sep  Results are not directly comparable between 2017 and previous years.
Percentage of the population enrolled with a PHO	PHO Quarterly Report	
Percentage of patients who did not attend their outpatient appointment	DHB data
