RE Official information request WCDHB 9218 (a)

We refer to your email dated 22 October 2018 requesting the following information under the Official Information Act from West Coast DHB: I note your request (WCDHB 9218) has been revised as below.

- **All correspondence to and from Mark Newsome, Margo Kyle, Jenny Black and David Meates, since April 1 2018, regarding the proposed Buller Integrated Family Health Centre.**

As per our response to your original request WCDHB 9218 which we provided on 19 October 2018, we advised you that “.... if you would like to further narrow your scope or provide us with specific questions around the proposed Westport Integrated Family Health Centre we would be happy to consider any new requests under the specifications of the Act.”

In our opinion, your follow up request does not narrow the scope sufficiently to enable us to provide a response without a significant diversion of resources to meet this request. We are therefore declining this request under section 18(f) of the Official Information Act in that to provide the information requested would entail substantial collation and research due to the amount of documentation that would need to be reviewed.

If you disagree with our decision to withhold information you may, under section 28(3) of the Official Information Act, seek an investigation and review of our decision from the Ombudsman.

Information about how to make a complaint is available at www.ombudsman.parliament.nz; or Freephone 0800 802 602.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely

Greg Hamilton
