**Official Information Request WCDHB 9401**

I refer to your email dated 27 February 2020 requesting the following information under the Official Information Act from West Coast DHB.

**1. I wanted to enquire into the level of insulation at the Reefton Integrated Health Centre/ Ziman House.**

**a. Is there underfloor insulation, double glazed windows and when the last time the ceiling was pink batted.**

There is no double glazing on windows and we only have insulation in the ceilings above the bedrooms and consultation rooms, this was installed pre-1990.

**b. Also if there were any plans to insulate the building in the future?**

There are no plans to insulate the building in the future. There is a hot water boiler which supplies heating around the entire site.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely
