RE Official information request WCDHB 9464

I refer to your email dated 7 August 2020 to the Ministry of Health which they subsequently transferred to us on 18 August 2020 requesting the following information under the Official Information Act from West Coast DHB. Specifically:

- **The number of prefabricated buildings currently in use at hospitals?**

The West Coast DHB has two prefabricated units and are in the process of purchasing a third. (All based in Greymouth).

I trust this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely
