### **RE Official Information Act request WCDHB 9551**

I refer to your email dated 12 April 2021 to the Ministry of Health which they subsequently transferred to us on 30 April 2021 requesting the following information under the Official Information Act from West Coast DHB regarding HPV Gardasil vaccine. Specifically:

- 1. How many schools, intermediate and secondary schools, are currently refusing to work with the Ministry of Health on this school-based immunisation programme for the HPV Gardasil vaccine,**

There are two schools on the West Coast who do not engage with the School Based Vaccination Programme (HPV and Tdap)

- 2. And could I get a list of the names of these schools who are currently not working alongside the Ministry of Health with this programme.**

- Gloriavale School
- 1 School Global formerly Westmont School

I trust this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely
