

St John

Here for Life

West Coast Health Shuttle Service

A St John Health Shuttle service is available in your community to provide transport to health-related appointments within the Greymouth/Hokitika area.

The shuttle operates Monday to Friday and bookings need be made by 3:00pm the day prior to your appointment.

This service is run by volunteers. We accept donations for Health Shuttle transport to help cover costs as we do not charge a fee.

For more information or to make a booking, please call:
