RE Official Information Act request WCDHB 9638

I refer to your email dated 26 November 2021 requesting the following information under the Official Information Act from West Coast DHB. Specifically:

1. Please advise how many of your electrical switch rooms have fire suppression systems

15 electrical switch rooms have fire suppression systems.

2. If there is a fire suppression system what type of system, e.g. water sprinklers, gas flood, or other system? If nothing, then NIL.

The fire suppression system used is water sprinklers

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely
