RE Official information request WCDHB 9661

I refer to your email dated 18 December 2021 to the Ministry of Health which they subsequently transferred to us on 28 January 2022 requesting the following information under the Official Information Act from West Coast DHB. Specifically:

- **Any information you have regarding the number of people admitted to hospital due to Covid-19 as the primary illness, that later had a diagnosis of Myocarditis, caused by the virus.**

No patients who have been admitted to West Coast DHB Hospitals with COVID have subsequently been admitted for Myocarditis.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely
