RE Official Information Act request WCDHB 9714

I refer to your email dated 18 April 2022 to the Ministry of Health which they subsequently partially transferred to us on 21 June 2022 requesting the following information under the Official Information Act from West Coast DHB regarding the Housing Improvement Regulations 1947 and the issue of any repair notices by the Medical Officer of Health. Specifically Question 1:

- 1. I would like to request information about the provision of any certificates to local authorities under s42(1)(e) by medical officers of health, and the issue of any repair notices under s44(1).**
 - a. Specifically, I would like to request the dates and local authorities for any such certificates or repair notices since, say, 2000.**

If it would help in keeping this request reasonably bounded, I am quite happy to limit this to within a lesser reasonable period --- say ten years --- but would prefer as broad a time range as possible.

There have been no such notices issued by the Medical Officer of Health for West Coast.

I trust that this satisfies your interest in this matter.

Please note that this response, or an edited version of this response, may be published on the West Coast DHB website after your receipt of this response.

Yours sincerely
